

CAT5E utp lszh solid 305m/pull box

DESCRIPTION

CAT 5e F / UTP Single Copper 100 MHz CABLE
Dca-certified cable Category 5e F / UTP shielded

Technical specifications :

- AWG: 24/1 strand
- Shielding: general per foil + drain
- Outer sheath diameter: 6,0 mm
- Insulation of pairs: HDPE
- Impedance: 100 Ohms
- Conductor: 100% copper without oxygen
- Wiring standard: EIA / TIA 568 C2 - ISO / IEC 11801
- Sheath: LS0H compliant RPC Euroclass Dca -s2 -d2 -a1

TECHNICAL CHARACTERISTICS

Brand : DEXLAN

Part number : DEX-613031

Main features :

Connection type : Cable

Solid wire/ stranded wire : Solid wire

Signal : Network

A Connector type : without connector

B Connector type : without connector

Category : Cat. 5e

Shielding : F/UTP

Length (m) : 305

Colour : Purple

Secondary features :

LSZH : Yes

Conductor : Copper
