Yealink Essential Bluetooth Headset

The Yealink BH7X Bluetooth Wireless Business Headset provides a stylish appearance, with high-definition audio quality, retractable hidden microphone arm technology, and Yealink Acoustic Shield Technology supported by dual microphones. It allows users to quickly transform any place into an office, providing the user with a mix of both high-definition professional audio and optimized music playback experience. BH72 is available in a Lite model as well as the Business version which supports an optional multi-functional wireless charging stand.

With Business and Stylish Appearance

Yealink BH72 Bluetooth Wireless Headset series is equipped with Yealink's uniquely designed retractable hidden microphone arm with magnetic slide. You can easily pull out the microphone boom arm to obtain professional audio quality, and can easily hide the microphone boom arm to obtain a stylish appearance. It allows you to enjoy music more simply and can easily adapt to various outdoor activities.

Multiple Microphones Acoustic Shield Technology

With Yealink Acoustic Shield Technology, the two Microphones built into the BH72 block the background noise automatically but ensure participant voice be heard clearly, greatly boosting communication efficiency.

Unparalleled Music and Calling Experience

Designed for music and calls, BH72 supports dynamic EQ to automatically switch between call mode and music mode. The new angled ear cushion design and oval memory foam isolate the ambient noise, bringing excellent passive noise reduction and creating the best listening experience.

Multi-functional Wireless Charging (BH72 Lite not supported)

Its long battery life offers up to 35 hours talking time, saving users from searching for a charger. The optional Qi charging stand for the BH72 provides easy charging whilst while keeping the device on the desk. This same charger works for any device that supports Qi like a mobile.

Visible Busylight for Ultra-wide Angle

Visibility indicators built-in in both sides of the BH72 automatically glow red when you make a call or attend a meeting, reducing external interference. Focus on the conversation. The BH72 range is available in both UC and Teams variants. Platform selection can be either via the choice of the unit purchased or via Yealink Connect USB software.
