

ProCentric Direct PCS500R

DESCRIPTION

Pro:Centric® Direct Support

The stand-alone server supports LGs Pro:Centric® Direct, an HTML5 Content Management Software. This software offers a comprehensive UI (user interface) editor, along with customizable widgets and a number of theme templates to enable a unique guest experience as well as express your hotels brand identity and individuality through LGs in-room television.

Server Admin Client

PCA or PCD Admin Client Graphical User Interface (GUI) is provided and is remotely accessible via the Internet using VPN service and a standard web browser, to provide System Integrator administration users with a full suite of features to manage and support the Pro:Centric system, including:

- System Status, Logs, and Server Settings
- Configuration for Channel Lineup and Electronic Program Guide
- UI Editor and Customization Tools
- Managing Television Settings and Software Updates

For further details, refer to the appropriate Pro:Centric® Admin Client User Guide (also accessible on the system).

Pro:Centric® Server Installation

Remote management of this server functionality is provided via a secure, built-in VPN client that connects to the centralized VPN server, supporting remote configuration management and software updates.

TECHNICAL CHARACTERISTICS

Brand : LG

Part number : PCS500R

Design :

Certification : FCC, UL, RoHS

Built-in processor : Y

Channels quantity : 8 channels

Copper ethernet cabling technology : 10BASE-T, 100BASE-T, 1000BASE-T

DC-in jack : Y

Depth : 215.9 mm

Ethernet LAN (RJ-45) ports : 2

Height : 43.2 mm

Input voltage : 19 V

Internal memory : 16000 MB

Operating relative humidity (H-H) : 0 - 95%

Operating system installed : Linux

Operating temperature (T-T) : 5 - 40 °C

Product colour : Grey

Storage relative humidity (H-H) : 0 - 95%

Storage temperature (T-T) : -20 - 70 °C

USB 3:2 Gen 1 (3:1 Gen 1) Type-A ports quantity : 1

Weight : 2.56 kg

Width : 482.6 mm
