

# 16-Port Serial Console Server with Dual Power/LAN

## DESCRIPTION

## TECHNICAL CHARACTERISTICS

Brand : ATEN

Part number : SN0116CO-AXA-G

### Main features :

Input connector(s) : RJ-45 Ethernet

Output connector(s) : DB-9

Input signal : 100Mbps Ethernet

Output signal : RS-232

Gender of connector A : Female

Gender of connector B : Male

### Secondary features :

Power supply : External power adapter included

Industrial : No

Size : Stand-alone unit
