

DESCRIPTION

In your world, superior sound is essential, as it's being in the zone. So slip on a pair of JBL Live 460NC headphones and get both. Equipped with massive 40mm drivers, JBL Live 460NC headphones deliver JBL Signature Sound, punctuated with enhanced bass so every track on every playlist pops. Activate the Adaptive Noise Cancelling if focusing is what you need and Smart Ambient if you want to keep in touch with your environment. Need some help getting through the day? Get help from your preferred voice assistant using your voice or with a tap on the earcup. And if you set-up Hey Google, activate your JBL Live 460NC features only using your voice. Magic! Lightweight and comfortable thanks to the pillow-soft padded headband, you'll enjoy up to 50 hours of music streaming with ANC off, perfect stereo calls and a convenient detachable audio cable, that lets you rock on even when the battery goes off. When not in use, your Live 460NC automatically pause and resume playing when picked up again. Rock out while staying tuned in with the JBL Live 460NC headphones.

JBL Signature Sound

40mm drivers and a sound signature that can be found in the most famous venues all around the world.

Keep the noise out, or in. You choose.

Keep the noise away and stay focused on the music with Adaptive Noise Cancelling. The Ambient Aware technology allows you to safely walk busy streets by increasing ambient sounds, while with TalkThru music is lowered and speech is amplified so you can easily chat keeping your headphones on.

Get help just by using your voice.

Get help from your preferred voice assistant (*) using your voice or with a tap on the earcup. Activate ANC or Ambient Aware, check the battery life or power off your JBL Live 460NC simply with your voice with Hey Google. Use the all-new JBL App to easily set your preferred voice assistants.

(*) Android 6.0 or higher is required for full access to Alexa features when using this device.

Up to 50 hours of Battery Life with ANC off.

Rock on for two full days and enjoy fast recharging if that's not enough. The Live 460NC get you up to 50 hours of playtime with ANC off, up to 40 hours with ANC on and 4 hours of charge in only 10 minutes! The detachable audio cable allows you to keep rocking even when the battery is flat.

Hands-free, perfect stereo calls

Stay in touch with your world by managing calls with the buttons on the ear-cup. The mic technology allows for perfect stereo calls.

Multi-Point Connection

Allows you to effortlessly switch from one Bluetooth® device to another. You can simply switch from a video on your tablet to a call on your mobile phone, so that you'll never miss a call.

Comfort-fit fabric headband

Shaped around your head with a fitting fabric headband and soft ear cushions, the Live 460NC are super comfy.

Auto Play and Pause

Your music automatically goes on hold when you remove your headphones and start playing again when you put them back. You don't even need to think about it.

Google Fast Pair

Thanks to Fast Pair enabled by Google, the JBL Live 460NC are immediately connected to your Android device. You can also pair multiple devices just by tapping on the devices screen.

My JBL Headphones App

Your headphones should adjust to you, not the other way around. JBL Live 460NC headphones sound and features can be easily personalized with the My JBL Headphones free App: change the EQ sets, select your preferred Voice Assistant, set your Smart Ambient settings and much more, downloading the free App.
