

DESCRIPTION

Easy to use and install, this mount is designed to fit any flat screen TV from 37 to 70 inches up to 40 kg. Tilttable, it gives you the best view from the floor or sofa. Fingertip tilt allows for easy TV adjustments and the mount tilts the TV back for easy cable access. Built-in bubble level ensures easy installation alignment. Compatible with VESA holes up to 600x400.

Features:

- VESA: from 200 x 200 to 600 x 400
- Maximum weight of the supported screen: 40 Kg
- Tilt: +/-12° (vertical)
- Rotation: no
- Wall / screen profile: 53 mm
- Dimensions (h x w x d): 425 x 643 x 53 mm
- Cable storage: no
- Spirit level: yes
