

## DESCRIPTION

The pendant suspension cable accessory 2-pack is intended for use with pendant-mount loudspeakers suspended from open ceilings. The pendant suspension cable accessory can be used as a safety-cable as a secondary method of securing pendant-mount loudspeakers to support structures to provide additional safety in accordance with local regulations or installer preference.

## TECHNICAL CHARACTERISTICS

Brand : BOSE

Part number : 852582-0010

Depth : 2 mm

Harmonized System (HS) code : 85189000

Maximum weight capacity : 45.36 kg

Placement : Wall

Product colour : Black

Width : 4570 mm
