

Label Remover

Technical Data

LABEL REMOVER is a unique blend of citrus and hydrocarbon oils which quickly releases self-adhesive labels and stickers. It neutralises the adhesive, thereby facilitating clean and easy removal.

APPLICATIONS

Ideal for use on many different non-absorbent surfaces, including:

- * Photocopiers
- * Fax Machines
- * Computers
- * Printers
- * Typewriters
- * Platens
- * Rollers
- * Cabinets
- * Shelving
- * Amusement Machines

Can also be used as an effective cleaning solvent for removing some inks and dye stains.

Apply directly onto the label or sticker to be removed and wipe away any over spray. Leave for 3 minutes and then peel the label away from the surface. Once any residues have been wiped away, the surface is ready for new labels.

NB May affect some plastics. Always test a small inconspicuous area before general use.

PART NUMBER:
6190012000

TECHNICAL DATA

Appearance	:	Clear, colourless liquid
Odour	:	Citrus type
SG @ 25°C	:	0.808
Pressure @ 25°C	:	2 Bar
Discharge rate	:	1.1 g/sec
Solubility	:	Soluble in solvents, insoluble in water
Flammability	:	Classified as extremely flammable under CHIP Regulations
Flashpoint	:	Not applicable in sealed aerosol
Packaging	:	200 ml aerosol (12 per carton)

STORAGE

The product may be stored at normal ambient temperatures and has a shelf life of not less than 72 months with correct storage. Aerosols should always be stored below 50°C, away from direct heat and naked flame.

HEALTH AND SAFETY

Health and Safety sheet available separately.

TECHNICAL SERVICE

CRC Industries UK Ltd provides a technical support service and maintains a constant programme of research and development. We are able to assist customers by specific product development to meet particular requirements.
