

613 MULTI-SLICER

A STAPLE IN THE INDUSTRY OFFERS HIGH QUALITY SLICING, STACKING & PORTIONING

The 613 Multi-Slicer is ideal for food processors and foodservice providers that need a versatile, high quality slicer to automate their operations. It bulk slices, stacks and shingles portions of a variety of products quickly and consistently. With the 613 you control an additional step in your operation, increasing output and safety while ensuring consistent quality at a lower cost than pre-sliced products. Its user-friendly operation and sanitation allow for fast set-up, function selection and thorough cleaning.

- Slice, stack and shingle portions at up to 90 strokes per minute, per lane
- Easy-to-use touch screen panel for quick selection of a variety of functions
- Modular, mobile design makes it easy to move around your facility or kitchen
- Sanitary design with sloped services and easily removable parts allows for quick and thorough cleaning
- Disposable AccuBand® band blades eliminate resharpening, simplify clean-up and provide optimal slice quality, consistency and yield
