Blind cover graphite Simon 73 Loft

REF. **73800-62**

BASIC INFORMATION

DESCRIPTION

Simon 73 Loft is the perfect solution if you are looking for a system of installations, surface-mounted and trunking for spaces with no civil work with a minimum thickness. It is the current version and another vote of Simon 73 and is compatible with all its mechanisms. Just projects from the wall, and thanks to this allows a great integration appearance. It can be easily installed in a matter of seconds and without the need for tools or previous knowledge on electricity. This blind cover of Simon 73 Loft is graphite colour, but it is also available in two finishes: Matt aluminium and white. It is the individual version for one element and is made of thermoplastic material, for its correct maintenance it is recommended not to use abrasive cleaners that contain chlorine and lavarlo just with a cloth moistened in soapy water. It has dimensions of 55 x 55 millimetres and is suitable for installation in any decorative space whether offices or private spaces.
