Cover for gloss white wire outlet Simon 100

REF. **10000051-130**

BASIC INFORMATION

DESCRIPTION

The 100 series presents a wide range of electrical and electronic products, electrical and electronic solutions and applications for the housing sector and for the tertiary sector, health centers, schools, offices, shops and hotels. The plate for cable outlet, white finish with quartz effect from the Simon 100 series, is one of these objects. Suitable for recessing, this plate has been made of PMMA materials with a thermoplastic socket, a guarantee of strength and durability for years. This plaque gives spaces a new dimension with a user-friendliness that is done in a simple and intuitive way, offering a world filled with experiences that you can select and adapt to your pace of life. The Simon 100 series offers its customers a range of solutions to activate your space and find new forms of relationship.
