

Horizontal front kit for 2 elements with 1 German socket outlet, 1 rocker and 1 USB charger matt black Simon 100

REF. 10021209-238

BASIC INFORMATION

DESCRIPTION

Horizontal front kit for 2 elements with 1 Schuko plug base, 1 key and 1 matte black USB charger. With its matte black tone finish, this front kit has a modern, yet classic look, which combines with its efficiency and optimal operation.

This has not only a base for a Schuko plug, but also a key and a USB charger that is highly functional. It is easily installed and should be placed horizontally.

For proper maintenance and operation, the part must be in an area where there are temperature ranges that must be between 5° C and 40° C. As for storage, it is capable of withstanding between -25° C and 50° C.

The 100 series of Simon has in its catalogue a number of devices that can be adapted to almost any environment and thus be installed in different spaces, regardless of whether these are homes, commercial rooms, lounges and companies or businesses.
