

Cover with safety device for French socket outlet grey Simon 75

REF. 75068-65

BASIC INFORMATION

DESCRIPTION

cover with safety device for French socket-outlet. It belongs to the Simon 75 series and is grey in colour, apart from this finish, it is also available in a range of 5 more colours, all designed to fill elegance and distinction to the different spaces of your installations: White, ivory, bronze, matt aluminium and graphite. If you are also going to choose a frame for this cover, we recommend that both parts are of the same colour to maintain the balance in the design of the whole set. This cover is made of thermoplastic material, which is recommended to be cleaned with a soft cloth and slightly moistened in water with soap. For proper installation, it is necessary to use a universal recessed box or, failing that, a baseboard surface-mounted. Simon 75, a set of mechanisms that bring comfort and security to your spaces.
