Hinged cover with safety device for German socket outlet cold aluminium Simon 82 Detail

REF. **82090-93**

BASIC INFORMATION

DESCRIPTION

Individual flip-up cover with safety device for Shuko socket-outlet. It belongs to the Simon 82 Detail series and is in cold aluminium colour, its dimensions are: 55 x 55 mm It is made of metallised thermoplastic material and includes an engraving of the plug. The normative scope that applies to it is the following: UNE 20315-1: 2009. For optimum maintenance, do not use cloths or abrasive cleaners that contain chlorine, it is recommended to clean it with a soft and dry cloth. The 82 Detail series by Simon offers a whole world of possibilities to the user. The design is the true protagonist and allows us to create unique spaces and environments with personality and style. The most striking detail is its socket, which projects out and seems to be floating on the wall, which distinguishes it from any other element intended for the same use. Simon 82 Detail, small details that make a big difference.
