

Hinged cover with key for modular items in different series white Simon 27 Scudo

REF. 2705091-030

BASIC INFORMATION

DESCRIPTION

The hinged cover with key for modular articles Simon 27 scudo is designed to withstand the conditions of use in busy spaces. It offers maximum protection for the mechanisms in which it is installed, restricting its use. The cover with key of the series Simon 27 scudo is made of thermoplastic materials that offer great strength and durability. It is available in three different finishes, which can be combined with the frames to suit all types of designs. It is recommended to use the same finish on the cover and frame in order to achieve a perfect integration. In addition to its performance of security, the cover with key for modular articles is easy to install and is suitable for flush mounting on the wall. It has an articulated box with lock and universal key to protect its use. It combines maximum security with the strength and design features of the Simon 27 scudo range.
