

End cap for floor trunking 85x18mm

REF. TFA904417/8

BASIC INFORMATION

DESCRIPTION

The TFA904417/8 aluminum end cap is an essential accessory for completing DCS trunking system installations. With a size of 85x18 mm, it is designed to ensure an aesthetic and secure finish, safely closing the end of the trunking. Made of anodized aluminum, it offers high corrosion resistance and excellent durability against impacts and foot traffic. It is ideal for applications in offices, commercial premises, and other environments where a quality trunking system that meets safety standards is required.
