

Interchangeable case for 1 element frame cream Simon 27 Play

REF. 2700617-070

BASIC INFORMATION

DESCRIPTION

Do you already know this series of products? Sleeves for frames and interchangeable rockers as well as their accessories are brought together in this collection, the Simon 27 Play series, another option in this type of sleeves is this frame with 1 cream-finished element from the successful Simon 27 Play collection, a collection that is revolutionizing the market and thanks to which you can change the look of your home or business in an instant. This interchangeable sleeve is of the colour range, in cream, so we recommend combining with rockers and covers, white colour, but you can opt for other options that also combine. The direction of installation can be vertical or horizontal. This product is suitable for any frame, being able to be position, place on the surface and also recess. Get in Simon the best interchangeable frame sleeves at the best price.
