Frame, 1 half element with frame holder for American box ivory Simon 27 Play

REF. **2700611-031**

BASIC INFORMATION

DESCRIPTION

Modifying the image of a room in your home is now possible thanks to the Simon 27 Play series, which features sleeves for frames and rockers covers so that you can play with the design as you like. This is what provides the ranges: Colour, arctic, extreme and metal. Are you looking for a frame of 1 half an element of this particular collection? This is a frame of 1 half element ivory finished with frame-holder for American box of the Simon 27 Play series, to ensure a perfect match, we recommend choosing a particular finish for rockers and covers: Ivory colour. Thermoplastic with metal frame-holder. Is it possible to install it both vertically and horizontally? Yes, it is possible, this product can be adapted to both positions. To keep this frame in perfect condition it is important to know that it cannot be cleaned with these abrasive liquids containing chlorine: Use only a very soft cloth and moistened in soapy water.
