

Frame for 3 elements grey Simon 75

REF. 75630-35

BASIC INFORMATION

DESCRIPTION

Given the eye of spaces with minimalist decoration with neutral tones, Simon 75 adapts to the needs that demand the market and offers the frame for 3 elements with finishes in a grey intense and uniform ensures integration into any ambience that requires a current and minimalist chic touch. Made in its entirety by thermoplastic, it provides an extra security to the room to prevent the flame spread in case of fire. With dimensions of 80 mm x 230, requires an intermediate piece to complete the installation of the whole set. However, its assembly fast and simple, it is suitable to be installed by recessed or surface-mounted, depending on the needs aesthetics and anzeigen of each space. Innovation, functionality and design united in the highest quality within the Simon 75 range.
