Frame, 3 half elements with frame holder for American box white Simon 27 Play

REF. **2700613-030**

BASIC INFORMATION

DESCRIPTION

Frame of the Simon 27 Play series, designed to be the perfect complement for three half elements. The frame-holder comes with a frame for American box. The product has dimensions of 123 x 85 millimetres and it is suitable for flush mounting. Among its features stands out that it can be installed both vertically and horizontally, according to the needs of the room where it is. The frame is presented in a classic colour white that it contributes to a perfect integration in the room where it is. Therefore, to obtain a perfect harmony in the final product, it is advisable to combine with other parts such as covers and plates on the same white colour and similar features. The product is made of a thermostable material with high resistance frame-holder separator, which gives it great resistance and extends its service life with a more than optimum operation.
