Frame for flush mount boxes for 1 element Simon 44 Aqua

REF. **4400610-035**

BASIC INFORMATION

DESCRIPTION

The products included in the wide catalogue of the series Simon 44 Aqua are characterized by efficiently perfect the most innovative design with avant-garde lines and the maximum security in the mechanisms, a good example of this is the Frame for flush mounted boxes for one element, has dimensions of 104x95 mm and the direction of installation can be installed horizontally and vertically. Another of its great advantages is the great strength of its structure, which has been manufactured with the best thermoplastic components, which prevent the negative consequences of any impact or unwanted shock that may occur. Also, thanks to this material the frame keeps its qualities as the first day to be used with frequency. For this reason they are each time the public and private buildings to enjoy this accessory. Impossible to order more for less.

FINISH

Grey
