

Halogen-free mini-trunking of 2m 20x50mm with 1 compartment

REF. TM12031/19

BASIC INFORMATION

DESCRIPTION

Our 2-meter Mini Trunking is a robust and efficient solution for cable distribution in electrical projects. Made from halogen-free thermoplastic materials, it meets safety standards by being flame-retardant in case of fire. With reduced dimensions and an internal compartment, it allows for effective cable organization in limited spaces. Additionally, we offer a variety of accessories to adapt it to different architectures. With an IP4X and IK07 protection rating, we guarantee a high level of safety in your electrical installations. The indicated price is per meter and is supplied in batches of 27 units (54 meters in total)
