

Downlight 725.23 Flush mount NW General 1-10V Aluminium

REF. 72523133-984

BASIC INFORMATION

DESCRIPTION

Downlight 725.23 suitable for flush mounting in ceiling and to provide general lighting, with 1-10 V control and neutral colour temperature (3900 K). The product is in aluminium colour and has a weight of 0.5 kg. This is a downlight very appropriate for uniform lighting of environments and, therefore, manages to create a high visual comfort. For this reason, tends to go to step areas such as corridors, although it is ideal for general lighting for commercial establishments or offices. One of its features is its most praised long service life of up to 30,000 hours. It is enough to give the care essential and will be like the first day. As for its installation, the manufacturer recommends to do it in spaces whose temperature is between -15 and 40°C for better conservation of the article. The most common applications of this downlight are in restaurants and hospitals.
