

Thermostable frame for 4 elements brown Simon 31

REF. 31641-32

BASIC INFORMATION

DESCRIPTION

The thermoset frame for 4 elements of the Simon 31 series measures 299x87 mm and finishes in brown, so we recommend that you use the same finish in both rockers and covers, as far as its manufacture, the piece has been made of thermoset entirely by being one of the most resistant in terms of sudden temperature changes. The series 31 is characterized by include a mechanism collection of simple lines that have the ability to integrate into any decoration and ambience. Precisely, is its simplicity that converted to this range in a safe bet for all households. And without renouncing to this quality that is our most valuable asset as a brand leader in the sector.
