

Plate for background music regulators with musical note symbol ivory Simon 75

REF. 75055-31

BASIC INFORMATION

DESCRIPTION

Plate and potentiometer button, in ivory colour, for the ambient music regulators. It has a musical note symbol on the lower right side of its surface. It is made of thermoplastic material and is available in 5 more elegant finishes: White, bronze, matt aluminium, grey and graphite. A wide range of subtle colours to suitably equip each space. This reference is suitable both for installation in surface-mounted and to be recessed. It belongs to the Simon 75 series, a collection that allows the user to choose piece by piece the different basic elements that make up each article. This offers infinite possibilities of personalization to the consumers, who will be able to equip each space to their liking taking the initiative in their facilities. In addition, Simon 75 offers numerous functions that provide comfort and security. Information for proper cleaning: Use a cloth slightly moistened in soapy water.
