

Spotlight 740.01 Rail 4000K Flood CR90 Black

REF. 74001038-394

BASIC INFORMATION

DESCRIPTION

The 740.01 Rail Spotlight 4000 K Flood CR90 Black offers an attractive neutral colour white neutral type very attractive that is ideal for restaurants or commercial premises.; this is possible thanks to the fact that reaches a colour temperature of 4000 K, a number for a significant spotlight of these features. Its installation is of type rail, the most simple between the different types of installation of spotlights.

The durability to the long term of this spotlight is guaranteed for both the luminaire and its quality outdoor. The luminaire has a service life of at least 30000 hours at a constant temperature and the outdoor has a body manufactured in aluminium with a high thermal design, which prevents its deterioration in the long term.

It is a spotlight that has a type flood optics and therefore has 25 ° opening in the angle of opening the light beam. Not to mention one of its qualities, the most important high colour rendering index (CRI), with a data 90 about 100. This data is the highest that can be found on the market in spotlights. The lighting efficiency of this spotlight also brand a good data (77,5).
