

Compact frame for 1 element white with frame holder Simon 27 Play

REF. 2700610-030

BASIC INFORMATION

DESCRIPTION

New space concept with the compact white frame with metal frame-holder colour, with dimensions of 85x91 mm suitable for one element, the frame belongs to the Simon 27 Play series, whose concept is revolutionary and allows you to take the initiative in redecorating your own spaces. One of its features is the change of frame convenient and easy with just one click you can enjoy the different covers available in 4 ranges: Colour, arctic, metal and extreme. You can combine them to create new environments in every corner of your home. For its correct installation, apart from its measurements, you must take into account the ease of Simon 27 play to fit your element wherever you want, since it is suitable for surfaces or to be recessed. Its maintenance is really easy using a soft cloth dampened in soapy water to make it look like the first day.
