

Interchangeable case for 4 elements frame pistachio

Simon 27 Play

REF. 2700647-065

BASIC INFORMATION

DESCRIPTION

This interchangeable sleeve is designed for a frame for 4 elements, its pistachio colour allows you to bring warmth and comfort to any corner of your home, this original finish makes it an ideal mechanism for those who want to avoid conventionalism and want to bet on an avant-garde touch in their own home. It measures 86x306 mm and is made of thermoplastic, the piece is suitable to be recessed and can be easily installed. This type of interchangeable sleeves from the Simon 27 Play series allow you to change every day the image of any room by clicking on the frame. One of its main qualities is that it is a piece that resists extreme temperatures, although it is preferable to place it in environments whose temperature is between 5 and 40°. If you are looking for the best result, do not forget to combine this article with white covers and rockers of colour.
