

Plate for speaker/buzzer 2W champagne Simon 82

REF. 82052-34

BASIC INFORMATION

DESCRIPTION

The Simon 82 series is a new collection that stands out for its minimalist designs, a wide range of textures and its avant-garde finishes that are organized in four families as noble metal, wood, metal, colour and colour, this series is compatible with the mechanisms of Simon 77, which allows cables to be connected without the need for stripping, braiding or using additional tools to place them, reducing the installation time. It also has innovative functions such as pass-hope, child guardrail function or the light frame for location in the dark, are a small sample of its great potential. On this occasion it offers us a place for buzzer-voice with a power of 2W with a champagne finish, and has dimensions of 55x55 mm that can be taken into account for proper installation, this plate is suitable for surface mounting or flush mounting in any space of your home.
