

Hinged cover with safety device for German socket outlet ivory Simon 31

REF. 31690-31

BASIC INFORMATION

DESCRIPTION

The Hinged cover with safety device for Schuko socket outlet in ivory colour of the series Simon 31 Ivory is highly demanded to be installed in the electrical systems of offices, offices, commercial premises, commercial hotel and catering such as hotels, restaurants and bars, headquarters of official organizations, educational centres or medical. This hinged lid, whose dimensions are 64 x 65 mm, it offers the possibility to choose the frame with the same baseboard colour as the rocker selected from the three colours available. Also stands out for its resistance to impacts thanks to the thermoplastic materials with which its structure has been manufactured. With it the concerns of possible accidents of the smallest by the electrical installations are a thing of the past. As happens in the rest of the products included in this range, its competitive price is another of the reasons to the success of this product.
