

Spotlight 740.00 Rail 4000K Spot CR90 White

REF. 74000030-294

BASIC INFORMATION

DESCRIPTION

The 740.00 Rail Spotlight 4000 K Spot CR90 White is designed to offer both lighting to level general and accent lighting. His optics Spot allows you to create micro zones through the lighting that can be very interesting results in all types of installations in the sector retail or restaurants to highlight elements such, by could some examples.

This difference of other luminaires for its quick installation thanks to its installation of type rail but above all by its high Colour rendering index, which is 90 about 100. It is white with textured paint, something which guarantees its stability to high temperatures. But if for some stands out for something, it is for being a very efficient spotlight, something that can be demonstrated with two pieces data.

By one side, the lumens / watt is 2280 lm by just 30 W of power, so that it is a spotlight. By other hand we can also highlight the lighting efficiency that has the spotlight, since it has an index of 76, quite high compared to other spotlights range low. In last is essential could the colour temperature of 4000 K of this spotlight, ideal to enjoy a greater level of illumination.
