

## Kit Flash 30 consisting of USB charger Type C 20W black Simon 400

REF. 43210003-038

### BASIC INFORMATION

#### DESCRIPTION

Kit Flash 30 based on a 20W USB Type-C charger for installation in any type of furniture. The product is supplied in a black finish and includes all components for immediate installation. The product terminates in a 20cm long cable with a 3-pole Wieland® Gst18i male quick connector with a safety anchor for easy connection and disconnection from the mains safely without interrupting the power supply. The kit is quickly assembled. Simply make the internal connections and screw the product onto the furniture surface. All that's required is to cut the hole in the furniture where the product will be attached. Once this is done, connect it to the mains power supply for proper operation.
