Frame for 4 elements white Simon 82 Detail Original

REF. **8200640-030**

BASIC INFORMATION

DESCRIPTION

This frame for 4 elements in white colour is suitable for surface mounting or flush mounting, a frame that belongs to the Simon 82 Detail and has all the features of the Original range. With this, it can be said that this collection is the most exclusive, has more variety and brings together all the new market trends in terms of frame designs for this type of installations. A compact design that protects against all kinds of impacts since it is made of the best materials to give your electrical installation maximum protection. Another top-quality product from this Simon 82 collection... at the best price here. And how do you clean it? What should be avoided? Do not use abrasive components containing chlorine. It is enough with a soft and dry cloth, sliding smoothly.
