

PVC mini-trunking of 2m 40x60mm with 2 compartments

REF. TM12052/9

BASIC INFORMATION

DESCRIPTION

Our 2-meter Mini Trunking is a robust and efficient solution for cable distribution in electrical projects. Made of high-quality PVC, it meets safety standards as it is flame non-propagating. With compact dimensions and two internal compartments, it allows for effective cable organization in limited spaces. In addition, we offer a variety of accessories to adapt it to different architectures. With a protection degree of IP4X and IK07, we guarantee a high level of safety in your electrical installations. The indicated price is per meter and is supplied in batches of 12 units (24 meters in total)
