

Outer cover for hinged cover aluminium Simon 44 Aqua

REF. 4400092-033

BASIC INFORMATION

DESCRIPTION

This is a cover for hinged cover with aluminium finish that corresponds to the Simon 44 Aqua series. This piece is available in 4 different finishes, it is made of thermoplastic material and has no symbols on it. It is characterised by a high resistance to extreme temperatures. However, it is recommended that this cover is installed in environments with a temperature range between 5 and 40°C for optimum preservation of this item. This reference only includes the trim cover. It must be replaced with the covers of the references with frame and cover included. In terms of maintenance, you can use a soft textured damp cloth, avoiding cleaners that are abrasive or contain chlorine. The Simon 44 Aqua series is a collection prepared for harsh environments, in which there is water or dust, or in outdoor areas.
