

Cover for digital control 2 channels with intercom and display white Simon 82 Centralisations

REF. 82552-50

BASIC INFORMATION

DESCRIPTION

Cover, white in colour (even if it is available in 3 different finishes), for the digital commandment with 2 channels, of the Simon 82 series. This series stands out for being fully versatile and is that it can be position, place in a multitude of different spaces, including: Offices, retail, restaurants, hotels, kitchens, bed headboards, work stations and control stations, for example. In addition, Simon 82 Centralisations stands out for offering many more electronic functions in less space. These functions are: Timing and clocks, centralisation of blinds, sound, adjustment of lighting and temperature programming. This cover for 1 element with intercommunicator and display and is suitable for both surface-mounted and to be installed by flush mounted. To clean it, you will only need to use a soft cloth slightly moistened in soapy water, without resorting to the never abrasive cleaners or cloths that contain chlorine in their formulation, as they could cause is damaged and does not operate correctly.
