

Plate for ambient music regulators with musical note symbol champagne Simon 82

REF. 82055-34

BASIC INFORMATION

DESCRIPTION

Plate for the ambient music regulators in champagne colour finish. It has a modern musical note engraving and is part of the Simon 82 series. You can find the plate in a total of six finishes. The recommendation is to use the frame in the same tone as the baseboard of the plate that has been chosen. Although it is possible to create all sorts of combinations, depending on the tastes of the user. It can be installed in surface-mounted or recessed and measures 55 x 55 millimetres. Does not include the signaling function, and this is the individual version of the plate, with a single element, for their longer service life does not require too maintenance, as you just need to clean it with a cloth of cotton completely dry cloth. These plates are manufactured in high quality thermoplastic, a component that inhibit the flame spread in case of fire management and which minimizes the toxicity if there is smoke. It also withstands temperatures very variables, between -25 to + 50 degrees centigrade.
