REF. 82647-60

BASIC INFORMATION

DESCRIPTION

Frame for four elements with natural crystal finish with the indoor white in colour, belonging to the Simon 82 Nature series, enjoy matter in its purest state, combining the action of the elements on matter, a collection that transmits the essence of nature in every corner of your home. Take advantage of all the electronic functions to control or regulate your different points in the home such as: Adjustment and control of lighting, temperature programming or centralization of blinds but with the most natural design you can find in the market. As far as the installation is concerned, thanks to the complete compatibility with the mechanisms of the Simon 77 series, it can take minutes to install and operate the element of your choice. With two simple movements: Insert and press, you will leave the element ready to make it work completely.
