

LOLA touch screen with thermostat Simon 360

REF. 89500200-039

BASIC INFORMATION

DESCRIPTION

LOLA touch screen with thermostat from the Simon 360 series. Integrated into the Simon LOLA ecosystem, it allows smart, connected control of the home climate system from the screen itself or remotely. Together with the HVAC control module, sold separately, boilers with a volt-free contact system can be controlled.

FINISH

Black

MATERIAL

Plastic

ETIM CLASS

EC003263

REMARKS

Operates via connection to the HUB MINI and requires the presence of a neutral wire in the electrical installation to ensure correct communication and power supply of the system. Requires a power supply unit (sold separately) for its commercialisation.
