Frame for 1 element matt champagne interior ivory Simon 82

REF. **82714-34**

BASIC INFORMATION

DESCRIPTION

The shade champagne, in its matt finish, is the golden bubbly that we transported to the elegance more classic. Together with the baseboard in a glossy ivory of the Metal noble range in the model of the Simon 82 series, make it a frame is one of the most sophisticated of the collection, ideal for spaces with notes classic and a high design. Composed by an element, has a capacity for up to four when so required. With dimensions of 89x87mm. To complete the model, we recommend the use of rockers and covers in the same finish in ivory, a design that also provides an elegance sin igual. The baseboard is made of thermoplastic, while the frame is made of zamak. For its assembly you can opt for the use of any universal recessed box or, if this is requires the space, can be done on the surface-mounted. It must be perform with the use, only, a soft and dry cloth, not to use abrasive cleaners that may damage the material.

FINISH

Champagne
