IP66 tray leveler accessory for floor boxes in concrete

REF. **KFA1003**

BASIC INFORMATION

DESCRIPTION

Facilitates the installation of your watertight floor boxes with our IP66 leveling accessory for floors. This innovative accessory lifts and levels the box up to a maximum of 35mm, ensuring perfect alignment even on uneven substrates, as well as its installation on pavements up to 116.5mm thick. Its design allows for quick and simple installation, ensuring that your box is aligned with the surface of your floor without added effort. Improve the efficiency and precision in your projects with our new leveling accessory.

COMPATIBILITY

K45 Solutions

ETIM CLASS

EC002420
