

Pack 50 compact frames for 2 elements and 100 separate centre frames white Simon 27 Play

REF. 2702620-030

BASIC INFORMATION

DESCRIPTION

If you are thinking about perform the electrical installation of your home or office, you can not veined this pack with 50 compact frames for 2 elements, in addition to the frames we include 100 separate frames. A product made with materials of quality, both the metal frame-holder and the thermoset frame, they are created for that are resistant to temperature changes and the passage of the years. If we need to a few frames that are suitable for surface and flush mounting, do not search for more, as this pack offers us the two possibilities. Also, measures 85x162 millimetres allows us to place it both vertically and horizontally. This is one of the most revolutionary of the brand Simon, the Simon 27 Play series, a series that allows us to redecorate the spaces of a clean and without the need for building work, all thanks to its interchangeable, rockers and parts pieces, all these sleeves.
