USB Type-C Charger 20W PowerDelivery and QuickCharge white Simon K45

REF. **K126I/9**

BASIC INFORMATION

DESCRIPTION

With dimensions of 22.5x45 mm, the K126I/9 charging base features a 20W USB Type C port. The module allows devices to charge up to 20W with PowerDelivery and QuickCharge technology. It is made with metal components coated with self-extinguishing thermoplastic insulation, free of halogens, ensuring that flames do not spread in case of fire, as well as low toxicity in case of smoke emission. The Simon K45 collection offers solutions suitable even for the most demanding. All thanks to our commitment to innovation and the use of the highest quality materials. Relax and trust Simon to fill your home with the safest and most efficient products.
