

Single rocker with viewer and light symbol graphite Simon 88

REF. 88016-38

BASIC INFORMATION

DESCRIPTION

With the rocker with viewer and an original light engraving of the collection Simon 88, you will obtain a design of creative finishes that captan the attention of its shapes which mix the square and the round. With graphite finishes, the rocker of this range is ideal to complete a set that it provides to any room a stylish minimalist design. With a size of Ø 68,3 mm, it includes a signaling function to maximize the functionality of the set, it is also compatible with the mechanisms of the Simon 77 collection, which reduces the time of installation as it does not need for stripping or braiding of wire. Made of thermoset materials, protecting the room in case of fire, and can reach maximum temperatures of -25 and 50 °C. It is available in 3 finishes so that you can select the tone more according to their decoration and thus to ensure maximum versatility of a modern and avant-garde design.
