Minimum frame 1 element matt black Simon 100

REF. **10001610-238**

BASIC INFORMATION

DESCRIPTION

Minimal frame for an element of quartz black color that you can find in the category "frames" of the Simon 100 collection. Its socket is made of thermoplastic materials and a frame in PMMA. Enjoy thanks to the series of new Simon 100 switches that go smart, a revolution in terms of usability and appearance. A collection that will bring the differences to homes and public spaces. Simon's Centennial Commemorative Collection will not make you regret any moment when deciding to choose its items. Its appearance is based on form and functionality and perfectly combines the two. The collection is designed to make it easier for people to interact with each item. Enjoy the simplest, most intuitive and comfortable elements of the range in terms of use, benefiting from three aesthetics: minimum, matrix and vertical, thus making the installation possibilities in your home endless.
