

Intermediate piece for 3 half elements mint Simon 27

REF. 27916-33

BASIC INFORMATION

DESCRIPTION

This model of the Simon 27 series is an intermediate piece for frame with an American box. It has a mint finish and is intended to provide a touch of colour to those models Simon 27 to which you want to incorporate and is compatible. It is composed of three half elements with three modules. Its design is intended to adapt to recessed models, whether are vertically and horizontally. Its manufacturing material is thermoplastic, which gives it great resistance. And its material in the finish is the plastic. It can be cleaned with a cloth moistened in soapy water.
