

Minimum frame 2 elements matt black Simon 100

REF. 10001620-238

BASIC INFORMATION

DESCRIPTION

Frame, minimum 2 elements from the Simon 100 series, this frame is designed for a versatile finish in black color and it is flush mounted. It can withstand temperatures ranging from -25 °C to + 50 °C. The frame socket is made of halogen-free thermoplastic material and the frame is made of PMMA. These components make every product of the Simon 100 series safe, as they prevent overheating and smoke generation. The finish of the frame, minimum color Simon is in an elegant black with quartz effect, the dimensions of each frame are 84 x 155 millimeters, with a depth of 9.7 millimeters. Without a doubt, this is a modern look, to be placed in different rooms. It is important to note that they have a capacity of 1, 2, 3 or 4 cells, depending on the model. It should be noted that these frames can be installed vertically and horizontally. Also, does not require a lot of maintenance, because its life is long if you clean with abrasive cotton cloths dampened with soapy water.
