

Spotlight 740.01 Rail 3000 K Flood DALI Black

REF. 74001338-383

BASIC INFORMATION

DESCRIPTION

The Spotlight 740.01 Rail 3000K Flood DALI Black is a spotlight a stylish black colour with textured paint on a aluminium body that is very attractive and discreet. If we have into account the installation, this is a type of installation spotlight rail, very practical and easy to carry out.

This spotlight offers a colour temperature of 3000 K, which means that the white light it emits is very interesting type, warm and pleasing. The type of optics that it is Flood, which means that the angle of opening the light beam is 25 degrees, a number of over the other spotlights. Account with the DALI dimming system, the last innovation in terms of management of spotlights that allows you to regulate certain technical parameters of the same.

It is a spotlight that also stands out for its high lighting efficiency (89), something that is explained when we pay attention to the data of emission of 1780 lumens for the 20W of power that has. The service life of the luminaire is estimated that reaches at least the 30000 hours of light emission at a constant temperature, which guarantees its durability in the long term.
