

Single rocker with light symbol for push button brown Simon 88

REF. 88018-32

BASIC INFORMATION

DESCRIPTION

This is an single rocker, which consists of an engraving of light and push-button switch. It is indicated for a brown of colour and belongs to the Simon 88 series. The piece is available in 3 finishes to suit the tastes of all users. It is made of thermoset plastic and measures Ø 68.3 mm. This material stands out for offering extraordinary thermal resistance, making its installation in any space. However, it is recommended to choose a place whose temperatures range between 5 and 40°C for which the rocker to be kept in optimum condition of conservation. It is also important to clean it frequently for this prolong its service life, simply use a soft cloth slightly moistened in soapy water and rub with the rocker. Do not forget to use abrasive cleaners containing chlorine. Simon 88 series is a a break with square forms, resulting in rooms with the most personality.
