

3RCA connector for half element white Simon 27 Play

REF. 2701093-030

BASIC INFORMATION

DESCRIPTION

The 3RCA connector of the Simon 27 Play series products, it is designed for half an element and is presented in a classic colour white. This will make that its integration into any room is very simple, as it does not will be out of tune with any type of decorative style. The connector has dimensions 22.5 x 45 millimetres and consists of a module that is suitable both to be installed in surface-mounted and recessed, is very simple.. his type of clamping is screwed and works by insertion. It supports a wire section from 0.2 to 0.5 millimetres. The maximum recommended length of cabling is 20 meters. Its metal components with halogen-free insulation and thermoplastic trim contribute to extend the service life of the product. This is so due to its high quality that provide additional resistance to the connector and hardness extra. As well, the product can work optimally even low temperatures ranging from -25 to 50 degrees centigrade.
